## OF STYLE

IT'S BUSINESS TIME. THIS SEASON WE TAKE A LOOK AT EXECUTIVE-LEVEL OFFICE SUPPLIES AND FUNCTIONAL ACCESSORIES FOR THE DAILY TRAVELLER, TO KEEP YOU CLIMBING THE CORPORATE LADDER.

### The Herman Miller Embody Chair

WWW.GABRIELROSS.COM

Price: \$1,483

Most of us spend the bulk of our day cooped up in front of the PC, which can cause a variety of negative effects on our bodies. We're just not built for it; the Embody Chair on the other hand, is a swivel in the right direction. The narrow backrest allows for a wide range of motion for added flexibility and support and its back and seat conform to your frame to help improve circulation.

### The WirePod by Joris Laarman

WWW.ARTECNICAINC.COM

Price: Approx \$350

Leave the tangled bulk of wires behind with this cool and convenient accessory from Artecnic. The WirePod brings the power cord out of the background and into the spotlight to reinvent your workspace.

### Angelo Galasso: The Watch Cuff

WWW.ANGELOGALASSO.COM

Price: Approx \$429

For those with a progressive approach to style, we have the next step in fine menswear. Angelo Galasso's watch-cuff has a unique incognito design; the fine silk and cotton dress shirts come in a range of vivid colours and prints and house a hidden compartment on the shirt's cuff to conceal your timepiece.

### The Redfoot Superlight Loafer

WWW.REDFOOTSHOES.COM

Price: \$192.50

Perfect for the travelling man or avid gym goer, this driving shoe from Redfoot can be stowed away with style. The cushioned footwear, which comes in black and brown, folds in half for easy storage and is about 50% lighter than the average shoe.

## The Thomas Pink Commuter Tie

WWW.THOMASPINK.COM  
Price: \$100

The contemporary menswear company found a hole in the market and filled it with a 100% silk woven tie. Keeping up with modern technology, the commuter tie has a discreet holster, so you can stash away your iPod leaving your hands free for whatever life throws your way.

## The Henk Travelfriend

WWW.HENK.COM  
Price: Approx \$37,000

This lightweight Dutch design is what we call luggable luxury. Each case is made-to-measure and consists of about 500 parts which come in a wide variety of custom colours and speciality materials - including horsehair.

## Breitling Chronomat B01

WWW.BREITLING.COM  
Price: \$41,225

After five years in development, the luxury Swiss watchmaker has released the Chronomat B01. Created entirely in-house, the impressive timepiece features a scratch-resistant and glare-proof sapphire crystal, pilot bracelet with slanted-cut polished links, exceptional water resistance and an impressive 70-hour power reserve.

## Bread&Butter Skincare

WWW.BREADANDBUTTERSKINCARE.COM  
Price: \$84.99

Bread&Butter is skincare simplified. The Canadian company has the perfect approach for the modern guy on the go - order online and you'll receive two carry-on approved kits (one delivered in summer the other in the winter) packed with all the face wash, moisturizer and lip balm you'll need to keep skin protected all year long.

## The Art of Shaving: Fusion Chrome Collection Manual Shaving Set

WWW.THEARTOFSHAVING.COM  
Price: \$275

This functional and stylish razor is handcrafted in polished chrome and can be used with Fusion blades by Gillette. The set comes with a shaving brush made of pure badger hair, which helps to provide a rich lather and soften stubble, leaving you with a clean, close shave.
